Let Beer Guide Your Journey...

HK YAU

One of the great blessings of being a brewer is the community that rises around you. Brewing from Brooklyn has allowed us to travel all over the world, meeting fellow beer enthusiasts and brewers. Over the years, one of favourite places to visit has been Hong Kong with its familiar sky scrapers against an exotic harbour, teeming streets of strivers, unending menus of flavour and population that reflects centuries of history and the contemporary spoils of a global village. Through our many visit, we at Brooklyn brewery have felt the yau. It's this inspiration that drives us to not just bring our beer to the city but to join with the brewers of Hong Kong and create a new line of beers for its people, HK Yau.

GUINNESS

It takes adventurous spirit and irrepressible ingenuity to do things the Guinness® way. From our humble beginnings in 1759 to the present day, we've gone to extraordinary lengths to bring you exceptional beer. But, while many milestones mark the way on our long and illustrious path, we're not ones to rest on our laurels. As we like to put it: our greatest work is yet to come.
